Gratitude Journal

The act of giving thanks can transform the way you experience obstacles, conflict, and the world around you.

There are many scientifically proven benefits of gratitude:

- Improves your physical health
- Enhances your mental health and clarity
- Reduces your risk of depression
- Improves your self-esteem and confidence
- Boosts your quality of sleep
- Increases your sense of empathy
- Strengthens your relationships
- And much more...

Embracing gratitude is an important *daily* exercise that will help you grow in love, joy, and peace.

The best part?

You can enjoy the lasting benefits of thankfulness in just 3 minutes a day.

As you go through this journal, allow the gratitude prompts to guide your thoughts as you evaluate your day.

There's no need to share your answers with anyone, so I encourage you to keep your responses raw and honest.
